

## **Checklist**

The questions in this checklist will help you get as much as possible out of a school visit.

Visit the website of the school in question. What do you notice, and what would you like to explore in more detail? What kind of school is the school you will be visiting?

What makes this school so special that I am visiting it?

This is the objective of my visit:

This is what I will do during my visit to get answers to my questions:

During the visit:

The school has capitalised on these developments:

For this objective, the school has initiated these developments (higher learning return, less student drop-out, more appealing education, etc.):

This is how the school creates a support base:

These are the desired results of the developments:

These are the lessons learned from the school:

These are the aspects that were most noticeable:

As a result of my visit, tomorrow I will start doing the following things in my school:

I will tackle this in the following way, for which I will need:
